MONTHLY MEMBER SERVICES COORDINATOR REPORT

Regional Chamber Meeting – This month we discussed drafting a press release for the online regional calendar that we have produced, and possible sharing a booth at this year’s Governors Conference on Tourism.

RiverWalk Committee – Engineers updated the committee on the status of the project. The State has given us permission to officially move the project onto the south side of the river. Next steps include an environmental review and obtaining Right of Way Easements.

Trade Show & Home Expo – 12 businesses have signed up for this year’s Trade Show, which will take place May 1-3rd at Home Depot. Mailings will be going out shortly to businesses have attended area Trade Shows in the past. Coldwell Banker has joined Connecticut River Bank in co-sponsoring this year’s event.

Weekly Member Update – This new benefit has gone out to the membership over the past few weeks, and has been met with great applause. Members enjoy the once a week update as opposed to the numerous daily emails.

Respectfully submitted,

Chad Stearns, Member Services Coordinator
