Littleton Area Chamber of Commerce
MONTHLY EXECUTIVE DIRECTOR REPORT

Business After Hours – The December Business After Hours was held at the Beal House Inn and presented by both the Beal House Inn and Ammonoosuc Community Health Services. This was very well attended. The January Business after Hours was held Century 21 Winn Associates. This was also a dual presentation with the Littleton School District joining Century 21 to promote their school building project. Our next BAH is scheduled for February 24th at the Littleton Food Co-op.

Respectfully submitted,

Chad Stearns, Executive Director
